Press: press@travissimpkins.co.uk
Dev: dev@travissimpkins.co.uk
Location: London, UK

EXECUTIVE PROFILE

British television personality, media content creator, and software developer operating at the nexus of broadcast entertainment, audio synthesis, and autonomous digital twin platforms. Formally trained in Content, Media and Film Production at MetFilm School London, with technical certification across both the Apple Developer Program and Google Play Developer Console.

PROPRIETARY DIGITAL BUILDS

Little Travis / Digital Travis (Digital Twin)

Autonomous Personal Identity System

Bespoke interactive digital twin mirroring verified cadence, career history, and public commentary for scalable digital presence and interactive media engagement.

Aethena Twin

Autonomous Cognitive Intelligence Framework

Context-aware conversational framework engineered for modular dialogue reasoning and synthetic agent interaction.

The Ghost Machine

theghost-machine.com

Full-stack interactive web application fusing algorithmic symbolic logic, real-time dynamic audio generation, and custom backend infrastructure.

ADVOCACY & REPRESENTATION

Direct engagement across UK parliamentary frameworks, youth access, and civil liberties. Leverages cross-platform media authority to challenge public policy and expand civil transparency.

BROADCAST & MEDIA

- Channel 5:** *Benefits Britain: Life on the Dole*
- ITV:** *Judge Rinder*
- Channel 5:** *The Wright Stuff*
- ITV:** *The O'Brien Show*
- Channel 5:** *SexPod*
- Cinema:** *How to Talk to Girls at Parties* (Supporting)

MUSIC PRODUCTION

- Genres:** High-energy EDM, UK drill, dance-pop, and dancehall.
- Signature Style:** Fusion of neoclassical piano/string arrangements with heavy urban syncopation.
- Key Works:** *The Captain's L.E.T.T.E.R.*, *TIEGAN*, "Three On The Throne".
